Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: : Applicant discussed the difference between Plumb and the invention regarding the position and function of the handle , additional limitations to three independent claims 1, 2, 18 and 22 were discussed (see the attachment) and appear to read over the grounds of rejection in the last office action. Also, Applicant discussed the difference between Campbell and the invention regarding a first side of the first leg having a flat side adapted for abutting and being slid along a flat guide surface of a fence and appears to read over the grounds of rejection in the last office action. However, these limitations will have to be further considered. .
